

31 August 1949

MEMORANDUM FOR: The Commanding General
The Ground General School Center
Fort Riley, Kansas

ATTENTION: Captain William L. Riles, Infantry

SUBJECT: Request for Guest Speaker

1. It is noted in your letter of 25 August 1949 that a speaker from the Central Intelligence Agency is desired for a lecture on "Subversive Activities in the United States."

2. The Central Intelligence Agency's functions are limited to those areas outside the United States and its possessions, and, therefore, it would be impracticable for us to send a speaker to deal with the lecture suggested. That subject is particularly the province of the Federal Bureau of Investigation as well as the counterintelligence elements of the Army and Navy.
